SUMMARY OF TELEPHONE INTERVIEW WITH EXAMINER

Mail Stop RCE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant's representatives thank Examiner Betit for the courtesies extended in granting and conducting a telephone interview on June 23, 2008 in connection with the above-identified application. The substance of the interview is summarized herein.

Applicant's representatives requested the telephone interview to discuss the Final Office Action issued March 4, 2008 ("Final Office Action") and Amendment After Final Action filed May 5, 2008 ("Amendment After Final"), as Examiner Betit was not the Examiner of record at the time the Final Office Action was issued. During the interview, Applicant's representatives provided a brief overview of embodiments of the invention, and explained why the amendments to independent claims 1, 10, 19 and 21 made in the Amendment After Final patentably distinguish these claims over the prior art of record (i.e., U.S. No. 6,880,007 to Gardos et al.) As the Advisory Action issued May 20, 2008 indicates

that these amendments have not been entered because they raise new issues that require further consideration and/or searching, a Request for Continued Examination (RCE) is filed herewith so that these amendments may be entered.

CONCLUSION

A Notice of Allowance is respectfully requested. The Examiner is requested to call the undersigned at the telephone number listed below if this communication does not place the case in condition for allowance.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, the Director is hereby authorized to charge any deficiency or credit any overpayment in the fees filed, asserted to be filed or which should have been filed herewith to our Deposit Account No. 23/2825, under Docket No. I0346.70000US01.

Dated: June 26, 2008

Respectfully submitted,

By:
